Instructions:

1. Adobe Reader, Version 8 or later, is required. *(Other PDF Viewers are not fully functional and should not be used; work at the same local hard drive to insure you are always using the same version of Adobe Reader.)*
2. We recommend you use Save-As with a descriptive filename for each case.
3. Enter case report data to this work file at your convenience.
4. In the year prior to your intended clinical exam, register for the exam and you will be informed by email when the ABO electronic submission site is available to you.
5. Login at [Online Services – Clinical Exam Electronic Submission](#).
6. Follow prompts to upload this Case Report Work File, or to enter case reports directly.
7. **Your data will be verified against the current year's exam specifications. ****
8. You may return to the site to update your data as many times as needed before the submission deadline. You will submit allowable digital models from this site.
9. When finished, mark the reports for each case as Complete and select SUBMIT TO ABO.
10. **After submission, use the Print PDF feature to save a read-only copy of your case reports. Print pgs 2-8 and insert in the back pocket of your case report notebook.**

**** Currently published ABO exam specifications apply to each year's exam, no matter when the examinee began gathering records. If you upload a former year's Case Report Work File, you will be alerted if any data has not transferred. You are encouraged to login early and verify your case reports against current year specifications.**
